## Pure Baking Soda Cleaners

### Arm & Hammer™ Baking Soda Refillable Shaker

Now Pure Arm & Hammer™ Baking Soda has a new resealable container that makes it convenient to pour and easy to open and close, plus is refillable. This baking soda is a more granular, free-flowing form so easy to use and ideal for high moisture areas like kitchen and bathroom. Use this water resistant container in the kitchen for a clean down to the shine without scratching, sprinkle in stainless steel sinks, pans, on ceramic countertops, inside the microwave, anywhere you want the gentle scrubbing power of baking soda.

### Arm & Hammer™ Baking Soda 5lb. Bag

Baking Soda can be used for all of those tough cleaning and deodorizing problems around your facility. This no scratch product is safe to use on stainless steel, counters, and many other surfaces. The bag is water resistant and can be stored in moist areas such as kitchen and bathroom. Easy to use and includes a scoop for convenient dosing. Special granulation designed for cleaning and deodorizing.
